Congress of the United States

House of Representatives

Washington, D. C.

April 7, 1964

Mr. J. Lee Rankin
General Counsel
President's Commission
on the Assassination of President Kennedy
200 Maryland Avenue, N. E.
Washington, D. C. 20002

Dear Lee:

Your letter of April 3rd with enclosures has been received.

I have examined the material and forwarded the same to Hale Boggs.

I feel that the FBI investigations should be expedited to the maximum. When the investigations are completed and submitted to the Commission I believe the full Commission should meet to discuss the situation and take whatever action appears appropriate. It was my understanding that the FBI investigations would be completed and available to the Commission this week.

Sincerely,

Gerald R. Ford, M. C.
